ORGANOGRAM

9	Student feedback mechanism on Institutional Governance/ faculty Performance	:	<ul style="list-style-type: none"> • A Class committee is constituted with a faculty member as a chairperson who is not handling the particular class. The Principal is also a part of the class committee. The chairperson is given the responsibility of coordinating the meeting and ensuring that the students provide free and fair feedback. • A proforma consisting of important parameters pertaining to teaching learning process has been designed for the purpose of collecting students' feedback. • The responses after the Electronic Data Processing are analyzed by the HoDs and the Principal. The feedback is communicated to the faculty members concerned wherever necessary, for their improvement. • Students' feedback on value added programme conducted (for example guest lectures, seminars, employability camp, etc.) is obtained at the end of the programme by distributing questionnaire on the event. • The inputs are communicated to the faculty members through HoD by the Principal for suitable improvements. The inference is discussed with the faculty members during the annual faculty appraisal.
10	Grievance Redressal Mechanism for Faculty, staff and students		There is a Grievance Redressal Committee , which is functioning to look into the grievances of the students, teaching and non-teaching staff.

The alumni meet is conducted once in a year, where the alumni from different branches of the under graduate and post graduate programs will join and share their views and give suggestions for betterment. This will be hosted by the management generously. The Alumni will be provided with mementos. This meeting will be mutually beneficial for the institution and as well as for the alumni to get an opportunity to meet with their friends and the faculty to share knowledge and insights. The alumni visit the institution for providing Guest lectures and seminars for the students in their areas of expertise and motivate the young minds. The successful entrepreneurs from our alumni are invited to talk on their success stories and motivate on students.

		<p>The alumni help the final year students of the various streams of engineering, business administration and computer applications to get their project placements and summer internship in their companies or to assist them through their reference.</p> <p>They also assist the students to get placement in the corporate. The alumni association and the regular meetings pave the way for the successful placements of the students.</p> <p>The institution signs Memorandum of Understanding with organizations that are owned by the alumni and have frequent interactions with the corporate world. This helps us in keeping in touch with the current affairs in the corporate scenario.</p>
