MOBILE APPLICATION DEVELOPMENT WORKSHOP

Run-through:

The M-apps club conducted an one day workshop called "SaiTech S2T" on **02/11/2019** at **SAIRAM INSTITUTIONS** for the school students all over Chennai. More than 100 students participated and benefited through this program. Many exciting events were conducted which made the students learn things practically. Participants were guided thoroughly throughout the event. The students took part in these hands on events. We have attached the details of the workshop along with Topic covered, Photographs and Student Feedback in this Document
