*SAVE THE PLANET
FOR SUSTAINABLE GROWTH*

Sri

SAI RAM ENGINEERING COLLEGE

Accredited by NBA and NAAC "A+" | An ISO 9001:2015 Certified and MHRD NIRF ranked institution

Sai Leo Nagar, West Tambaram, Chennai – 44

Tel : 044 - 2251 2222 www.sairam.edu.in

THE INSTITUTION

Sri Sai Ram Engineering College, Chennai, established in the year 1995 by MJF.Ln.Leo Muthu, Chairman of Sapthagiri Educational Trust, is non-profitable, and non-minority institution. The College is functioning at Sai Leo Nagar in a sprawling campus of 300 acres which is set in rural, quiet and idyllic surroundings. The architecturally designed buildings with 25000 sq meters plinth area, the playgrounds and the green make it one of the most preferred destinations for the aspirants for Engineering studies. Imbibed with the message of Shridi Saibaba, our Chairman ventured into the realm of providing quality technical education to both urban and rural students from Tamilnadu as well as other states. Being a visionary, our chairman also has to his credit various other enterprises such as real estate, Industry and Educational Institutions.

Today Sri Sai Ram Engineering College has developed into a reputed Engineering Institution with NAAC Accredited with 'A+' Grade and ISO: 9001:2015 certifications, and this year, all our eligible Engineering Courses got accredited by the National Board of Accreditation. Offering top quality technical education and molding the younger generation to the society. Our Chairman has spared no efforts to induct dedicated faculty and provide adequate infrastructure facilities. The college is approved by All India council for Technical Education, New Delhi and affiliated to Anna University.

IMPORTANCE OF THE CONVENTION

The scenario of Technical Education is going through a sea change in recent years. As SRI SAI RAM ENGINEERING COLLEGE & AICTE are very much interested in gearing up to make the engineering education more industry oriented, this convention

organized at the right time provides a very good platform for the young innovators. Globalization today pervades almost every facet of human life & thanks to the emergence of new technologies in all branch of engineering. At the same time, students are also interested in informatics with its strong focus on providing fast and ready access for human, based on these latest developments in technologies. The main objective of this convention is to create awareness and also to provide a perfect platform for the participants to upgrade their knowledge and experience and to discuss on the ways to disseminate the awareness of the latest developments and advances in the field of Engineering and Technology.
