B.Tech/B.E. Electronics And Communication Engineering
Sri Sairam Engineering College, Chennai

Dear Arvindkrishnan,

Further to our offer for the position of Programmer Analyst Trainee and in response to your confirmation into the Internship opportunity we had extended, we are pleased to offer you an **Internship** with us for **a period of 3 to 6 months**, during which you will be offered a stipend Amount of **INR 12000/-** per month based on the Internship performance and completion.

Actual Internship dates and duration would be based on the business demand aligned skill tracks offered to you and would be shortly communicated to you.

Cognizant Internship being a pre joining skill and capability development program, it would form a critical part of your employment with Cognizant.

You will undergo a learning curriculum as per the learning track assigned to you. The learning path will include in-depth sessions, hands on exercise and project work. There will also be series of webinars, quizzes, SME interactions, mentor connects, code challenges, assessments etc. to accelerate your learning. The performance during Internship would be monitored through formal evaluations.

The Cognizant Internship completion would qualify as the entry criteria to your post joining training program and would be used as basis towards your allocation to projects/roles.

Prior to joining Cognizant, you must successfully complete the prescribed Internship program. In event of non-completion of the Internship, Cognizant may at its sole discretion revoke this offer of employment.

Please also note that:

- The Internship Training will be done from Monday through Friday for 8 hours from 9 am to 6 pm (IST).
- Interns are covered under Cognizant's calendar holidays of the respective location of internship and you would need to adhere with attendance requirements. Pre-approvals are to be sought towards unavoidable leave or break requests from the program.
- There would be zero tolerance to plagiarisms and misconduct during the internship.
- You would be required to ensure timely completion and submission of assignments, project work and preparation required prior to the sessions.
- You may be required, to travel to other locations within India if there is a business need as per your internship plan
- Cognizant reserves clauses regarding IT infra if applicable and access to information and material of Cognizant during the period and could modify or amend the Cognizant GenC program terms and conditions from time to time

At the time of your reporting for the internship, you will be required to sign a Non - Disclosure Agreement with the company. During the course of your Internship and after completion of the same, you are required to maintain strictest confidentiality with respect to company proprietary or products that you access or come into contact with, during your project as an Intern, at all times as per our Policy. Use of company proprietary information or products shall not be made without prior permission from the concerned authority.

You will also be required to submit the following documents at the time of reporting;

- Photocopy of your Passport & Visa

- Photocopy of your Certificates / Mark Sheets in support of your Educational Qualification(s)
- 2 Passport-size photographs
- Pan Card
- Aadhar Card
- Personal individual bank account from a nationalized bank for processing stipend

Please do not hesitate to call us for any information you may need.

We wish you good luck.

Yours sincerely,

For **Cognizant Technology Solutions India Pvt. Ltd.**,

Suresh Bethavandu

Global Head-Talent Acquisition

I accept the terms and conditions of the offer as mentioned above.

LETTER OF RECOMMENDATION

01 April 2021

To whom it may concern:

Dear Sir/Madam,

I am writing this reference at the request of Srilakshmi who interned in our company, MIT Square Services Private Limited, as an IoT Intern for one year (May 2020 to April 2021). I have known Srilakshmi for almost one year as her scientific adviser and mentor.

During this time, Srilakshmi showed herself as a promising young specialist, researcher and innovator. Her major specialization was in Electronics & Communication, and she carried out industrial projects on “Smart Water Management”.

As her mentor I have had an opportunity to observe Srilakshmi’s participation and overall progress. I would rate her overall performance as excellent - she has not only excelled in the industry projects but achieved excellent results in her academic field too. Srilakshmi is actively involved in both industry and university’s life. She enjoys participating in various professional activities.

In summary, Srilakshmi is an intelligent, dependable, dedicated person, who is ready to achieve her goals. I am positive that Srilakshmi would be a tremendous asset to any organisation and I highly recommend her without reservation. If you have any further questions with regard to her background or qualifications, please do not hesitate to contact our company.

Sincerely,

Dr Mithileysh Sathiyarayanan
