Welcomes you for
MATHEMATICS SUMMER CAMP
Exclusively for the Students of 8th & 9th Standards

04.05.2023 to 12.05.2023 | 10:00 AM - 3.00 PM

Sri Sairam Engineering College held a Mathematics Summer Camp for local 8th and 9th standard students, offering interactive learning experiences and fostering interest in the field, aiming to develop mathematical skills.

A 3-day IEEE STEM-sponsored workshop on mobile app development introduced 100 9th-grade students to mobile app development, fostering creativity, problem-solving, and collaboration. The workshop included sessions on Android Studio, app development fundamentals, and competitions like redesign and app design contests, inspiring students to explore STEM careers.
