## PURPOSE OF THE FDP:

The 5-days Face to Face FDP is to provide the detailed view of UHV-II module and for preparing the faculty to facilitate UHV-II for teaching 3-credit mandatory course implemented by AICTE for second year Engineering students in their curriculum.

## ABOUT UHV

Universal Human Values (UHV) provides well-tested foundational inputs which are universal, rational,

verifiable, all-encompassing and leading to harmony, i.e., leading to well being of all.

The process of UHV is the process of self-exploration. It can be used as a starting point for further developing a universal framework for incorporating values in mainstream education and Holistic, value based living.

## AICTE's VISION OF UHV

The NEP 2020 has given a clarion call for holistic value-based education. All India Council for Technical Education has made significant efforts in incorporating Universal Human Values in education through curricular inputs (model curriculum), preparation of faculty and reaching out to the students. The initial results are encouraging, and there is much more to be done.

## OBJECTIVES OF THE PROGRAM

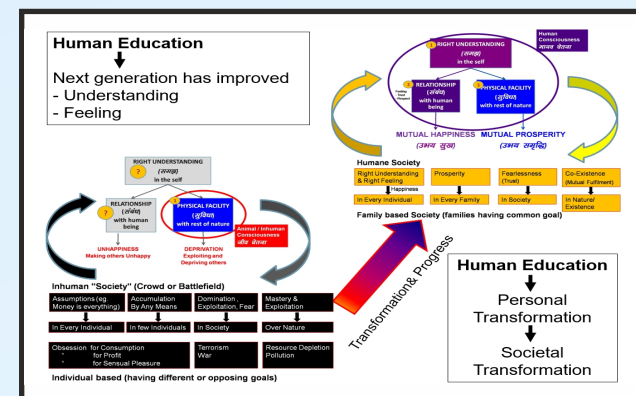

- To share and discuss the vision for humane society.
- To foster feeling of relationship (family) at deeper level.
- To share individuals journey of self exploration.
- To identify our role and participation in realizing the aspiration of humane society.
