

H& S EVENTS 2022-2023

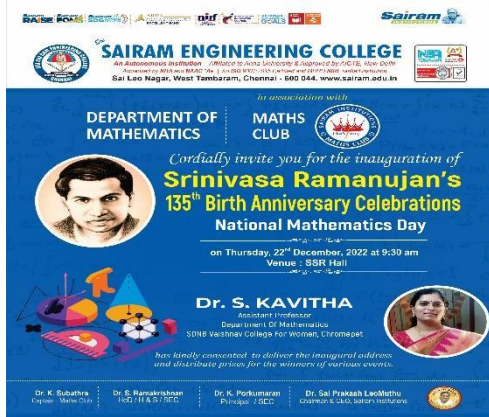

1) Ramanujan Math Fest -2022

Celebrated on November 11th 2022. More than 650 students from various schools in and around Chennai participated in the event.

2) National Mathematics Day 2022.

Celebrated on 22.12.2022. More than 150 students of SEC and SIT participated in paper presentation, Quiz and Olympiad.

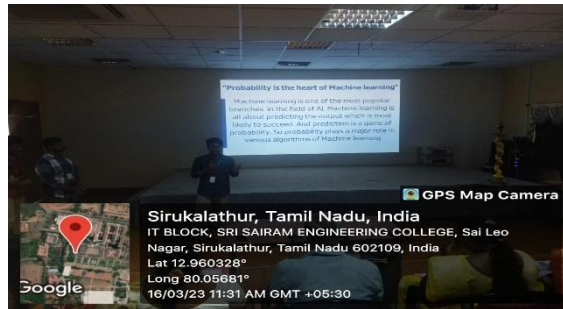

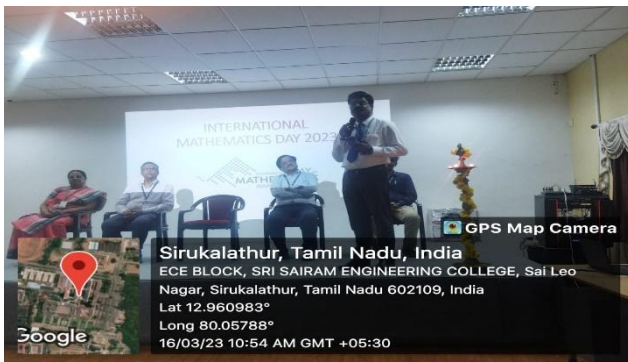

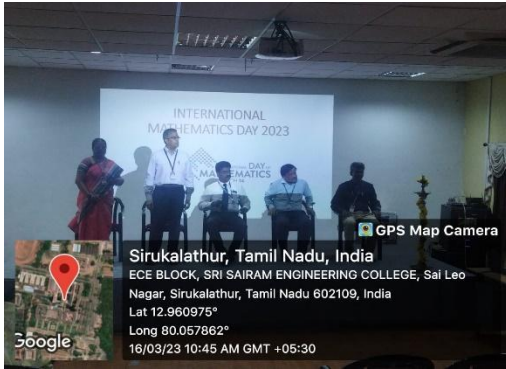

3) MCM (Mathematical Contest for Modeling)-2023

It is an international competition for high school students and college undergraduates conducted by COMAP Inc , USA. It challenges teams of students to clarify, analyze, and propose solutions to open-ended problems. The contest attracts diverse students and faculty advisors from over 900 institutions across the world. It is a 4 days on-line programme from February 16th to February 20th this year. Any number of teams from the same institution can participate in this event. Each team will consist of 3 students and a faculty advisor. It provides ample opportunity for the students in higher studies and placement.

This year three teams from our college participated in this contest, two teams from first year and a team from second year. The result is expected to be published by end May 2023. Registration amount for this event is 100 US dollars. Our management has encouraged the students and paid the registration fee

4) International Mathematics Day 2023

Celebrated on 16.03.2023. More than 150 students of SEC and SIT participated in this event.
