

# **Sri SAIRAM ENGINEERING COLLEGE**

## **TAP CELL**

### **Training and Placement**

Training and Placement (TAP) is an integral part of our institution. The institution has provided the complete infrastructure for effective functioning of the cell. The cell is sensitized to function all through the tenure of four years towards generating placement opportunities through training the students. The Recruitment of fresh engineering graduates by all leading manufacturing sectors, IT sectors and product companies have been focusing on "Industry 5.0". Training activities are organized with dynamism ensuring successful efforts towards preparing the students for the talent acquisition processes of the recruiters.

### **Training Plan**

A visionary training program is planned in such a way to train the students of all disciplines in various emerging technologies depending upon their area of interest. The TAP Cell ensures that the learning communities are extensively exposed in acquiring knowledge and getting diversified skills to be successful industry ready professionals, aspirants for higher studies and winning entrepreneurs in the chosen spheres.

A special training is designed for the circuit branch students i.e (CSE, IT, ECE, EEE, EIE, ICE) program to enhance coding skills in 'C, Java & Python', and for the non-circuit branch (MECH, CIVIL, PROD) students will be trained in Autocad, Catia, ProE and PLM to enhance their skills in core areas.

### **AMCAT Test**

"AMCAT" assessment platform is used by all students to get practice in Six different areas like Writex (English), Logical, Quants, (Aptitude), Automata Fix (Debugging), Automata (Coding), SVAR (Speech Voice Adaptive Rating). A mock interview and a domain specific test are also conducted to evaluate the students' readiness before the campus hiring assessment by recruiters.

The TAP cell ensures that every student in the campus is shown/offered adequate platforms like Skillrack, SAIL, NPTEL and others to acquire the needed skill sets and knowledge for successful placement.

### **PEGA Training:**

We have introduced a niche training program from the year 2019 in 'PEGA' a specialized financial tool being used by all multinational banks across the Globe.

We are proud of saying that we are one among the 14 training facility centres for 'PEGA-UAP' across India to train the students to get certified in PEGA. The PEGA certified professionals are getting special employment opportunities with a high package of 16 Lakh and with a minimum package of 6 Lakh from top leading software companies through an exclusive drive for PEGA professionals

### **PEGA information**

First batch ( 2020 passed out) – 90 students

Second Batch ( 2021 passed out) – 110 Students

Third Batch ( 2022 passed out) – 91 Students

Fourth batch ( 2023 passed out) – 181 Students

Fifth batch ( 2024 passing out) – 82 Students

### **Center For Higher Studies**

Centre for Higher Studies , the integral part of our Training and Placement Cell since its inception in 2004, fosters a network among Universities, Colleges, Institutions abroad committed to impart Higher Education and Collaborative Study programmes. The mission of the Centre for Higher Studies is to prepare and give exposure to students for pursuing higher studies abroad.

### **Training to realize Students' Dreams**

Special coaching programs are consistently organized for the higher study aspirants from 2nd and 3rd years by bringing the leading training vendors in the city with a proven track record of successes with a subsidized cost.

### **We offer coaching in the following areas:**

GRE, TOFEL, IELTS

GATE

UPSC

### **Foreign Language Learning Program**

We encourage the student to learn Japanese language up to Two Level N5 & N4 & We also teach German Language up to Two Level A1 , A2. Interested Students can choose any one language to learn.
