7.1.1. Specific facilities provided for women in Sri Sai Ram Engineering College Campus

A. Safety and Security

Our institution aims to prevent all forms of violence against women and to advance gender equality and women's empowerment in all spheres of endeavor. It also seeks to stop all types of violence against women that comprise human dignity and gender equality. Our organization created a policy with the goal of valuing each person for who they are as an individual and giving everyone access to a secure workplace. This policy's release aims to prevent sexual harassment of women at work (Prevention, prohibition and Redressal) Act, 2013, which grants regular and contractual female employees the legal right to speak out against any form of sexual harassment at work. According to the Council, "All employers are expected to honour the Act and maintain a safe work environment." For security and safety reasons, the Sairam campus is fully equipped with CCTV cameras.

Proof: Corridor cameras

B. Counselling

Women's Counseling Room

Women Counseling and Support Room Cell of Sairam Engineering College is established with the motto of “*towards self empowered mind*“. The cell aims to empower girl students and faculty, enhance their understanding of issues related to women and to make the college campus a safe place for girls and women and to address the practical issues related to the welfare and equal opportunities for Women faculty, staff and students.

VISION

To promote general well-being of female students, teaching and non-teaching women staff of the College and to provide and maintain a dignified, congenial working environment for women and enable them to explore their imminent potential in all aspects.

MISSION

To train women to acquire a wide range of skills and knowledge and to develop and increase their social, economic and intellectual capacities for peace, security and prosperity of mankind.

C.Common rooms

The Common Room at Sri Sairam Engineering College plays a pivotal role in enhancing student engagement and promoting overall student well-being. By providing a supportive and inclusive space, ensures that students have opportunities for relaxation and socialization beyond their academic commitments.
