### 5. IEEE Xtreme 17.0 Programming Competition(28-October-2023):

- The IEEE Xtreme 17.0 Programming Competition was a 24-hour online coding competition held on Saturday, 28th October 2023. The competition was organized by the IEEE Student Branches of Sairam Engineering College and Sairam Institute of Technology, Chennai. A total of 450 participants from various engineering colleges across India participated in the competition.
- The competition was an individual event, with participants working on the challenges from their own laptops. The competition consisted of five rounds, each with a set of coding challenges. The challenges covered a variety of topics, including algorithms, data structures, web development, and cryptography.
